Extravaganza lights the way to Christmas

VICKI BROOKER
Review Staff

The warmest Christmas Extravaganza weather in some years may have cancelled the much anticipated dogsled rides, but it did bring out the crowds to enjoy the long list of afternoon and early evening activities that were still on the Saturday, Nov. 21 schedule.

Elk Point Chamber of Commerce's first-ever afternoon Extravaganza brought a steady stream of shoppers and fun-seekers down town on Saturday, as parents and tots lined up at Prairie EMS for the annual visits and photos with Santa, moved across Railway Avenue to sip free hot chocolate and roast hot dogs over a roaring fire next to the Visitor Information EcoCentre at the Elk Point 4-H Multi Club's fundraiser, and head back across the avenue to try their luck

at the Elk Point Elks Hockey Club's Hotshot Hockey Hole, with Elks players on hand to give some encouragement to the beginners and hand out prizes.

The EcoCentre was also one of the stops for Prairie Tech and Truck-in 2000's endless round of tractor-drawn hayrides, which continued to haul happy loads of people on tours of the town throughout the afternoon, and also took part in the parade.

Local restaurants were filled to the brim much of the day, with the Empress reportedly running out of their featured turkey dinner and waits for tables at the other eateries. The Trail Riders Snowmobile Club hosted a well-attended outdoor beverage garden.

The soup cook-off was scratched off the list due to participant cancellations, but young cookie decorators adding frosting and sprinkles to cookies donated by Golden Loaf Bakery brought the crowds to RONA. Up

the street, staff at Guardian Drugs were busy decorating long lineups of faces with sparkle tattoos.

In mid-afternoon, participants of all ages took part in a series of snowshoe races east of the EcoCentre, with just enough snow to make this event a go, and the Elk Point Curling Club kindly donated the use of their rink for the Turkey Toss, where the shooter of the rock closest to the button from each group took home a plump turkey home to dinner.

The best crowd in many years gathered along Main Street as 6 p.m. approached, in eager anticipation of the Winter Wonderland Parade, where well over a dozen bright and colourful entries received an enthusiastic welcome.

The entire crowd then headed for the Iron Horse Trail Staging area where a spectacular fireworks display wound up the event for another year.

Seniors welcome the festive season in Heinsburg

VICKI BROOKER
Review Staff

Seniors from across the County of St. Paul and the towns of St. Paul and Elk Point gathered in Heinsburg on Friday for the long-awaited Seniors' Festival, hosted by the County of St. Paul/Town of Elk Point FCSS Department, with the assistance of St. Paul FCSS, the Town of Elk Point and Xtreme Oilfield.

This event was originally scheduled for 51 weeks earlier, on Friday, Nov 28, 2014, but was cancelled by an untimely blizzard that prevented travel.

The Festival was well worth waiting for, with good food, good music and good information for the 165 seniors in attendance, with six agencies providing

literature and answering questions on everything from the supports available to seniors to creating a personal directive and the benefits of wearing an emergency call bracelet.

Elk Point Town Coun. Lorne Young brought greetings from the joint County/Town FCSS Board and CAO Sheila Kitz from the County of St. Paul before Rob Duffy, Regional Director of Emergency Management gave his keynote message on being prepared in case an emergency situation should arise. Four municipalities have spent "a great deal of time" on a plan to support not only their residents, but also those who respond to an emergency, and do what Duffy called "the work inside the yellow tape."

(Continued on Page 7)

SINGING FOR THE SENIORS - Heinsburg Community School's Kindergarten and Grade 1 students delighted the Seniors Festival audience with their cheery songs of the season.

EDITORIAL

Now it begins!

In Elk Point, we generally consider that Extravaganza is the kickoff to the Christmas season, and although we did that a week ahead of the usual date, we aren't the only ones.

Lights are up and shining, craft shows are everywhere, Edmonton has had their Santa Claus Parade and various locations are advertising that youngsters should come and have their picture taken with Santa.

We have a full month until Christmas, and years ago that would have been considered too early to start the excitement. However, in today's traumatic world, we are so hungry for something happy and exciting that we can't wait another minute. Let the fun begin!

4-H Multi marks National 4-H Day

My name is Darianna Boorse and I am the new Club Reporter for the Elk Point 4-H Multi Club.

The Elk Point 4-H Multi Club has started another year in October. We have 15 members in our club doing the projects of crafts, canine, sheep, cleavers and two new projects of soap box car building, and regional swine project.

On Nov. 2 the Elk Point 4-H Multi Club celebrated National 4-H Day by painting windows at the F. G. Miller High School. Each member was able to paint a window and share what they like about 4-H.

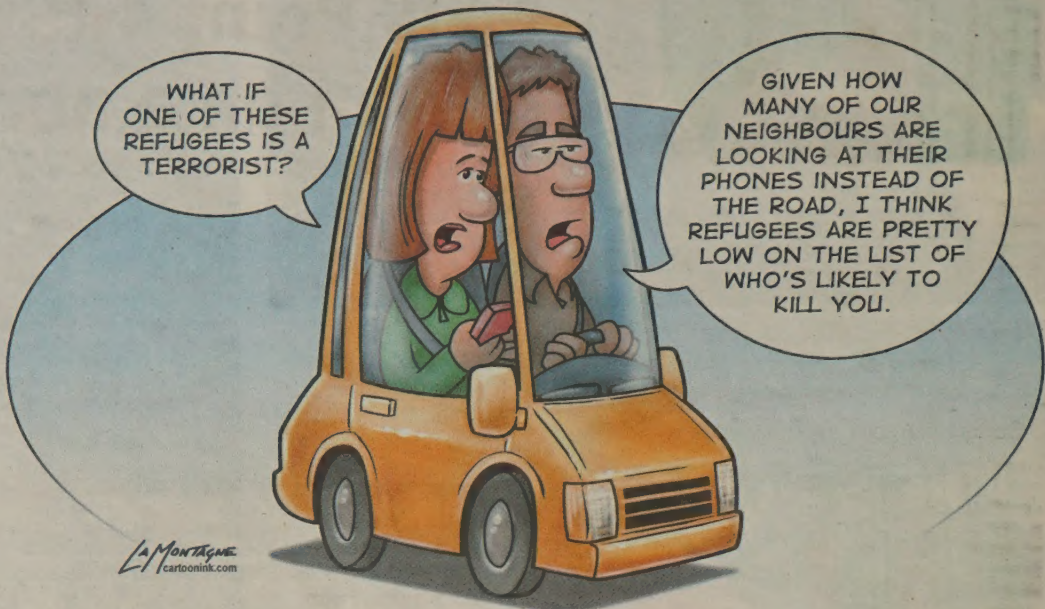

We were out in full force during Extravaganza at the Eco Center site manning the Hot Dog Roast.

At the end of the month a few of our members will be attending the first 4-H regional Camp Fall Fling that is being held in Vegreville this year. They are looking forward to meeting new friends and playing games.

Out meetings are held first Wednesday of every month at the High School. We are all looking forward to working on our projects, going to meetings and going to camps all year long. And I'll keep you informed from time to time of the comings and goings of our club.

Keep an eye out for our achievement day this June.

WAY BACK WHEN...

Water discussions, more doctors and shared workload

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF NOV. 24 IN....

1985

Town council was awash in water discussions with the ongoing installation of a new water supply line, application for further water diversion from Atimoswe Creek for the towns raw water supply and purchase of 18 metres of four foot culvert for an improved drainage ditch crossing on 49 Ave. all on the agenda. A crackdown on parking violators was planned, with the municipal bylaw enforcement department ready to tag those who parked too close to corners and restricting the vision of drivers entering intersections.

1990

Elk Point was jubilant to have two more doctors in town, with Dr. K. C. Miller back in town after several years absence and opening an office in the former home of his parents, and Dr. Barrie Pelland moving into the former clinic used by Dr. Estey. Town council studied the purchase of the property in both their residential and industrial land banks from Alberta Mortgage and Housing at a very reasonable price, if they made a decision to do so by Dec. 31, when it would revert to the original level.

1995

Equality ruled at the Elk Point Agricultural Society, with five directors each from the Fairgrounds and Livestock Division and the A. G. Ross Operating Committee sharing the workload, and Brian Schnurer and Dave Cousins sharing the presidency. The Alberta Cow Calf Association met with Alberta Minister of Agriculture Walter Paskowski to discuss the drought in northeast Alberta and to ask for an immediate payment of \$40 per acre for hard hit producers to help them purchase feed and meet their financial commitments.

2000

Operation Christmas Child donors formed giant letters 'O', 'C' and 'C' in the gym at F. G. Miller

High School as they prepared to ship off a massive load of shoeboxes filled with school supplies, toys and personal items to less fortunate children in Central and South America. Ray Danyluk won the Progressive Conservative candidacy for the next provincial election in the Lac La Biche - St. Paul constituency by an overwhelming margin over Tom Lett and Dareld Cholak.

2005

The possibility of hiring an economic development officer for Elk Point was at the top of both town council's and the chamber of commerce agendas, with a three-member chamber delegation coming to council to report that they had already raised \$20,000 in pledges to help pay for the position, and that they were confident that they could triple that sum. Council approved the subdivision of a 2.6 acre parcel of land for residential construction and purchase of a lot in the industrial subdivision to improve an intersection used by a large amount of truck traffic.

2010

The Feelgood Ripple gained momentum as Elk Point Elementary School students got on the bandwagon and learned how to pass on kind words and deeds to others.

Elk Point Allied Arts production of "If It's Monday, It Must Be Christmas" was a big hit as Santa got some very large lists to fill as their pre-Christmas dinner theatre presentations got underway.

Bantam Avalanche nine win in Wetaskiwin

How crazy is this? A team of only nine skaters can go to a tournament... play four games and win them all... go into overtime in the final game four skaters on four, then three skaters on three, then two skaters on two.... and then a 12- man shoot out and after all that, win the gold medal. That's just crazy exciting I would say! The **Bantam**

doug
BASSETT

Review Sports

Avalanche did just that this past weekend in Wetaskiwin. It's obvious that everyone on the team contributed, because when you play at the bantam level with body contact, it takes its toll on a player, so you must play smart and conserve your energy and pass the puck, take shorter shifts and not take a stupid penalty that costs the team a lot of extra unproductive ice time. These guys, Nicholas 'Sparky' Anderson, Chase Dorey, 'Hammering Hank' Rogal, 'Silent Sam' Henderson, Wolke 'Wolf Man' Cueva, 'Dylan the Destroyer' Ference, 'Hot Wheels Hayden' Ludlage, Bradley 'Diesel' Canning, goalie 'Colt 45' Colton Van Maarion and the only gal, 'Raging Paige' Henderson did this. Pat on the back to all of them and to the coaching staff Greg Van Maarion, Christoph Ludlage, Dean Rogal and the manager Melinda Henderson.

We almost didn't have enough ink in our pen and used up all the lines on the front of the game sheet and had to resort to the back of the game sheet to record all the penalties in the **Midget Avalanche** game on Sunday afternoon

against the Kitscoty Pitbulls. Over 100 minutes in penalties total on the game sheet, our guys with a few less but not by much, maybe 10 minutes. It's great to

see that the present day midget team has about as much love for the Pitbulls as we did over 15 years ago. The game was very rough and don't get me wrong, our guys are no angels, but at times this game was tough to watch with the big wicked hits these guys were dishing out. The boys would eventually win this one with only 40 seconds on the clock in the third period, battling back from a two-goal deficit in the first period to tie the game at one point, then go down by a three-goal deficit by the end of the second period. In the third period with the help of some power play goals, the Avalanche coming back, tying it up once more before 'Captain Big Crunch' Carson Ference would score the winner assisted by 'Dead Eye Dylan' Odgaard. That was the second goal for 'Captain Crunch' who also tied the game just before that. Austin 'Ozzie' Stafford with a goal and an assist, Austin 'Astro' Axley with a couple of helpers. The rugged 'Warrior Warren' Ference with a goal, two goals and an assist for Awesome Alex' Hunter, Brody 'The Big O' Odgaard with a goal, Cyle 'Grinder' Graus, Warren 'Night Shift' Plunkie and Cameron 'Bear' Baird each with assists.

They say a tie game is just like kissing your sister. I say sometimes a tie is like a win if your come back to tie the

game, but sometimes a tie is like losing when you have a lead and then lose it. But you still get a single point, so a point is better than no point...do you get my point? Four goals for Charlie 'Angel' Rogal, two for Jaden 'Jet Stream' Van Maarion, 'Lighting Liam' Ludlage lighting it up with one and assisting on four others, center-man 'King Cole' Bendixen with a couple of helpers. On Sunday the **Pee wee** team really took it to the Saddle Lake Warriors, winning 14 to 1. Saddle Lake will be moving down to tier three after this weekend. Kobe 'the Cobra' Warawa with his first goal of the year, he also assisted on one by Dallas 'Cowboy' Bristow and 'Danny Boy' Cardinal with one each, big D Man Odin 'The Wall' Smith, Jace 'the Stafford Streak' and Evan 'Batman' Ockerman all with a few assists. Jadey 'the Lady' Capjack with some nice defensive plays and some terrific passes. 'Sexy Slater' Hardcastle wasn't tested very much but came up with some outstanding stops when he was called upon.

The **Atom No. 1** team had a great weekend; they tied 6-all in Saddle Lake on Saturday then won 10 to 3 over Plamondon on Sunday at home. 'King Kong Konnor' Poitras with five goals on Saturday, Sam 'Spiderman' Rogal with one, 'Bazooka Joe' Cardinal and Gavin 'Giver' Kadutski played awesome on the blue line. On Sunday at home Phoenix Quinney, Dean 'the Machine' Ockerman and Rylee 'the Rocket' Warawa with a goal each the 'Rocket' on a tear adding three assists. Brady 'Oscar' Hymanyk and Vaughn 'the Vulture' Ockerman

going hard both ways. Goalie Vanden 'Super Mario' Moroziuk played fantastic all weekend, standing on his head at times but still coming up with the puck.

The **Novice Avalanche** played the only game at home on Saturday winning over Bonnyville 6 to 3. 'Top Gunner' Crawford finding the twine with two, 'Timmy Joe' Cardinal hammering one home, 'Hurricane Kayl' Warawa, Madden 'Mad Dog' Flamand and Brendon 'Blue Line' Haesch-Baker with one each. 'Good Time Charlie' Lesyk, 'Bo Diddley' Fontaine, Keyesen DeMoissac, 'Cyclone Cole' Pierce and Trystn Sakowsky with assists.

The **Pee wee Girls Storm** hit the road this weekend, heading south to Vermilion on Saturday then turning around heading north to Lac La Biche on Sunday. The girls have come a long way and are becoming competitive but there's still lots to work on. Both games were reasonably close, losing 6 to 1 on Saturday and 4 to 2 on Sunday. Paula Hladunewich scoring on Saturday assisted by Jelena 'Prime Time' Parr and Avery 'Whirlwind' Warawa. Paula with a goal and an assist on Sunday, 'Prime Time' scoring the other goal that was also assisted by Halle 'Comet' Stybel.

And now for the K. A. Campbell quote of the week. "I'm a firm believer in the theory that people only do their best at things they truly enjoy. It is difficult to excel at something you don't enjoy." Last week's answer to "Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it." - Lou Holtz

WINNERS IN WETASKIWIN - the Bantam Avalanche team may have a short bench, but they had ample determination to win the gold at Wetaskiwin this weekend, even when it took three overtimes and a shootout to do it!

Seniors

(Continued from Front Page)

With planning in place, it's time to "take the next step, and be proactive," Duffy said, urging the seniors to be proactive and put together a 72-hour kit of essentials needed "to sustain you and your family. Every individual can prepare (the kit) to fit individual needs." He also suggested creating a network of friends, family and neighbours to help in an emergency, showing others how to operate essential equipment, and keeping a supply of special needs items, from oxygen and medication to food for service dogs.

"We have taken the first step as a region, looking at risks and threats," Duffy said, and after supplying information to the public on preparedness, they are moving on to developing response procedures to be carried out during and immediately after an emergency, and discussions of the most effective way to "make sure basic needs are covered" during the recovery period that would follow.

Local dangers include fire, wind, tornadoes, power loss and home hazards, he said, urging everyone to "make a plan. Only you know your needs and capability. Set up a buddy system and designate a backup person. Taking these steps really will help us.

"The region is prepared to take care of our public, we need you to prepare to help yourselves."

Everyone enjoyed a bountiful dinner of turkey and all the trimmings, topped off with an endless supply of freshly baked pies, before everyone sat back to enjoy some very special entertainment.

Heinsburg is known far and wide for its jamborees, and four of those performers, Grace Meger, Jeff Reiter, Terry Merriam and Bob Brown, performed a set of country-style classics, followed by four delightful numbers

from the Kindergarten and Grade 1 students of Heinsburg Community School, who sang of fluttering snowflakes and three ships sailing in, welcomed Santa and his reindeer, and wished everyone a Merry Christmas with their action song, before leaving the stage to personally delivering cookies

to all of the visitors. A number of door prize draws wound up the afternoon of a festive and enjoyable day, just for seniors.

JAMBOREE FAVOURITES - Jeff Reiter, Bob Brown and Terry Merriam accompany Grace Meger in a country classic.

PARADE - Eyecatching entries from reindeer and carolers on Jonny's Electrical's float to bright inflatables on Lakeland Realty's delighted the parade watchers.
